The Consulting Architect to the
Government of Madras,
M a d r a s.

Sir,

PLANNING COMMISSION: Community Projects - South Kanara Dt. - Design for Hospital building - Request.

- - - -

Please send me a design for constructing a hospital with six beds and another with 15 beds. The dispensary will have a consulting room and diagnostic facilities. The type design is intended to start the construction of a primary centre in block I in the Community Project area of South Kanara district. The centre selected is Bajpe and the hospital will be constructed there. I request that a plan with the design may kindly be sent to me at an early date.

PROJECT EXECUTIVE OFFICER. 17-11

Copy to the Director of Community Projects, Madras

2. The villagers are likely to construct a hospital at the Mandi centre, Bajpe in Block I. They want approved plan for starting the work. I request that the Consulting Architect to the Government of Madras may be requested to prepare and send a suitable design with a map drawn to scale for guidance.

To C Architect

Sir,

Sub: MEDICAL AID: Community Project - South Kanara - Block I - Starting of primary centre -

. . .

Ref:- Your Ref,C.No.57-52, d a t e d: 16-11-1952.

. . .

I certainly agree with you that as a Medical Officer and a compounder have come for duty, they can immediately be put in charge of the work of starting the dispensary. Bajpe has been selected as a centre for Block I. The Panchayat Board, Bajpe has offered to place the Panchayat Board Rest House at the disposal of the Community Project to start the dispensary forthwith. I have taken the Medical Officer and shown the building to him. Such medicines as are required will be taken as loan from the Head quarters hospital, Mangalore to start with. I am asking the Medical Officer to take from you such medicines as are immediately required and proceed to Bjpe tomorrow. Indent for out-fit first aid pad complete is being placed seperately.

Yours faithfully,

16-11

PROJECT EXECUTIVE OFFICER.

16/11

Copy to the Medical Officer, Community Project, Mangalore. with a copy of the D.M.O's letter.

2. He is requested to take such medicines as are immediately required to start the dispensary at Bajpe from the Headquarters hospital, Mangalore, and proceed to Bajpe, tomorrow. He may contact the President, Panchayat Board, Bajpe and start the dispensary in the Panchayat Board dispensary for the time being.

PROJECT EXECUTIVE OFFICER. 16-11

MADRAS.

Sir,

PLANNING COMMISSION: Community Project - South Kanara - Block I - Starting of a primary Health Centre - Report - Submitted.

- - -

Bajpe has been selected as the Mandi centre for Block I. The primary health centre has to be located there. People of Bajpe and the surrounding villages are very eager to start the centre as early as possible. They have come forwarded with voluntary contributions. Some have promised to contribute towards the cost of construction of ~~xxxx~~ single bed rooms with necessary equipment and some double bed rooms and others have promised cash donations. Though the primary centre is with 6 beds, the people are willing to have 15 beds at their cost. They will purchase site suitable for the purpose and give it. They want that the cost of construction of the hospital which relates to consulting room, operation theatre, office etc. may be undertaken by Government and that they would construct the ward with beds and equipment i.e., on the whole it comes to 50%. The land is a ~~x~~ gift. Unless the enthusiasm is ~~hammered~~ harnessed in right time, it may be difficult to rouse it again. I have addressed the Consulting Architect to send a type design, a copy of my letter was also ~~xxxxx~~ submitted to the Director.

I request that orders may be issued to take up the construction of the primary centre as per type design with 50% of the cost being borne by the people.

27-11

PROJECT EXECUTIVE OFFICER.

***

With reference to your letter cited above, I am to inform you, that the Project Executive Officer, South Kanara, Mangalore has called for plans for constructing a hospital with 6 beds and 15 beds and a dispensary having consultant and diagnostic facilities. As also required in your above letter, I am sending her with two types designs for dispensary one suitable for smaller attendance and the other suitable for larger attendance and designs for wards for 6 and 15 beds. Though the type designs for dispensary are meant for Indian Medicine, they are suitable for allopathic medicines also. The kitchen shown in a separate block in the design may be constructed only if ~~they are~~ necessary.

Sir,

PLANNING COMMISSION - Community Projects - South Kanara Dt. - Design for hospital building.

Ref: 1. This Office Ref.C.No.206/52 dated 14-11-52 and reminder dated 8-1-53 addressed to the Consulting Architect, Government of Madras.

2. This Office Ref.C.No.206/52 dated 8-12-52 addressed to the Director of Medical Services.

3. Government Memorandum No. 6300 Public (C.P.II)/52-1 dated 13-12-52.

The Consulting Architect to the Government of Madras was requested to send a type design for constructing a Hospital with 6 beds and another with 15 beds in this office reference cited (1). No reply has been received from him so far. In the reference cited (2) the Director of Medical Services, Madras was also requested to send a type design. No reply has been received from him either.

Necessary land for locating the Hospital has been secured as gift. The people have promised to meet the expenditure to an extent of 50%. The preparation of detailed estimate is pending for want of a type design. If the starting of the work is delayed, I am afriad that the public enthusiasm so much roused now would wane and it would be difficult to mobilise and harness local enthusiasm and cooperation, once again. I therefore request that Consulting Architect may be asked to send the type design very early.

****

and 3. Government Memo No. 6300 - Pub (CP II) 52-3 Dated 16.1.53

In his reference cited first, the Consulting Architect to Government of Madras, sent two type designs for a dispensary, one suitable for smaller attendance and the other for larger attendance, and designs for wards for 6 and 15 beds, to the Director of Medical Services for approval. The Director of Medical Services in his letter cited second, to the Consulting Architect, has suggested certain alterations in the design for the hospital with 15 beds. His letter is silent regarding the design for the hospital with 6 beds. The proposal is to construct a hospital with six beds, ~~and~~ having a consulting room and diagnostic facilities at the Primary Health Centre, Bajpe. The Director of Medical Services has therefore been requested to state whether the design for the dispensary suitable for smaller attendance and the design for the ward for six beds have been approved and if so, to send them on to me after counter-signature. The detailed estimate will be prepared on hearing from him, and it will be submitted to Government for sanction as soon as it is ready. The construction of the building has to be completed before the commencement of the rains and materials have to be collected, without any loss of time. As there is no time to lose, I request that I may be permitted to go ahead with the work in anticipation of sanction of the estimate, subject to the condition that 50% of cost not exceeding Rs. 15,000/- is to be met from the Community Project as laid down in para IV (e) of the "Summary Record of conclusions" communicated with Government Memorandum No. 11690-A Pub.(C.P.) II/52-1 dated 27-12-52.

2. I request early orders.

PROJECT EXECUTIVE OFFICER 6.3

Pub (C.P. Audit) Dept.

Submitted for perusal. The proposal of the PEO to construct a ward of 6 beds with consulting room and diagnostic facilities at Bajpe, being the centre for the 1st Block. As the plans have to be countersigned by the Director of Medical Services the PEO may be asked to prepare for the construction only after receipt of the approval of the Director of

26

approved by the C.P.A. Hence an expenditure not exceeding Rs.15,000 may be permissible for the building alone.

The P.E.O will therefore be told to go ahead only on receipt of the plans from the Director of medical Services.

..

Ref: Govt.Memo.No. 6300 Pub.(C.P.Audit)/52-5 dated 17-4-1953.

******

In the Government Memorandum cited, detailed plans and estimates were called for, for the Primary Health Centre, Bajpe. I submit herewith the estimates with site plans etc. for favour of sanction. In the estimates, provision has been made for an out-patient dispensary, an in-patient ward for six beds, a kitchen and a well. Provision has also been made for the other appurtenances mentioned below. The plans for the dispensary, in-patient ward and the kitchen have been prepared in accordance with the type designs prepared by the Consulting Architect to the Government of Madras and approved by the Director of Medical Services. A covered passage of 20' in length has been provided from the dispensary to the ward and another from the ward to the kitchen. Though this has not been shown in the Type design, provision has been made for it in the estimates to facilitate going from one building to the other during the rainy season. For the super-structure, 9" thickness wall has been provided as per instructions issued by the Executive Engineer, South Kanara. The total cost of the work comes to Rs. 27,300/- as shown below:

1.	Construction of out-patient dispensary. ...	Rs.	9,000/-
2.	Construction of in-patient ward for 6 beds.	Rs.	9,000/-
3.	Construction of kitchen. ...	Rs.	2,000/-
4.	Construction of 10' dia. well.	Rs.	4,300/-
5.	Sanitary fittings including septic tank water closet and other appliances.) L.S. ...	Rs.	1,500/-
6.	Forming roads inside Hospital compound including supplying and fixing gate with masonry pillars and also providing lawns inside hospital compound etc.) L.S.	Rs.	1,500/-
	Total	Rs.	27,300/-

2. The estimates have been technically scrutinized by the Executive Engineer. A copy of his letter No.1159-M dated 9-5-1953 is enclosed for favour of information. The proposed site for the construction of the hospital was approved by the Executive Engineer, P.W.D. Dt. Medical Officer and the Dt. Health Officer after a joint inspection. The site has also been inspected by the Director of Community Projects, Madras. The site is in S.No.101/3B4 of Bajpe village measuring 2.20 acres. It belongs to one Sri Sivalingappa Shetty who has donated it free for the construction of the hospital. He has given in

32

taken to convert this site into hospital Poramboke.

3. The villagers have promised to bear 50% of the cost. Before the preparation of the detailed estimate, the Hospital Fund Committee, Bajpe requested to be informed the rough estimated cost of the work. It was informed that the approximate cost of the work including a well etc. would be about Rs. 27,000/- The Committee has passed a resolution, agreeing to contribute 50% of the cost i.e. Rs. 13,500/- The cost as per the detailed estimate now comes to Rs. 27,300/- 50% of this amount comes to Rs. 13,650/- The Committee will be persuaded to contribute this amount. The estimates may kindly be sanctioned for Rs. 13,650/- i.e. at 50% of each estimate.

4. The villagers are eager to commence the work forthwith. They have collected the materials required such as stones etc. and are awaiting the sanctioned estimate to begin the construction. I therefore request that the estimates may be sanctioned as expeditiously as possible. If any of the estimates require any alteration, the remaining estimates may be sanctioned, so that the work may begin in those cases. A Committee has been constituted to construct the Hospital. The Committee will take up construction under the technical supervision of the Community Project Staff.

PROJECT EXECUTIVE OFFICER.

Enclosure: Estimates in duplicate.

Copy of letter No1159-M dated 9-5-1953 from the Executive Engineer, P.W.D. South Kanara Division to this office.

.....

Sub: Community Projects - South Kanara District - Primary Centre, Bajpe - Estimate and plan - Scrutiny - Remarks.

Ref: Your letter No.C.206/52-B dated 18-4-53.

....

The plans and estimates for works of (a) Construction of proposed out-patient dispensary (b) Construction of a proposed ward of 6 beds (c) Construction of kitchen (d) Construction of well for Rs. 24,000/- (after correction) are herewith returned duly scrutinized with the following comments:

(1) 40 C.Ft. of cement mortar is allowed for cement concrete, for foundation and flooring items, instead of 50 cft. of Mortar, as per schedule item No. 33 H. in standard data book.

(2) 110 C.ft. of laterite stones are required for 100 cft. of laterite masonry, and data has been corrected accordingly.

(3) Sub Datas for plastering with C.M.1:5 - ½" thick and R.C. concrete are not worked out and number of minor mistakes are noticed in data vide corrections made in this office.

(4) Iron wind ties should be provided to roof, as the same is available locally.

(5) No provision was made for iron bars, for the windows (a) Framed and planked with iron bars 3'-6" x 4'-0" (b) C.W. windows with glazed head 1'-6" high and iron bars 2'-6" z 5'-7½"" etc. and the same is provided now.

(6) Different leads for broken stone 1½" x ¾" are allowed, vide data for R.C.kerb and cement concrete and this has been corrected suitably.

(7) C.W. wrought and put up for small scantlongs: Labour to be allowed is only ½ No. carpenter and ½ No. man cooly vide S.I.No.181, but not ½ carpenter and 1 man cooly.

(8) Laterite stones of selected good quality should be dressed to size and/at site for weather in sun three months /stacked prior to use.

Details as well as data and Abstract are corrected wherever necessary in the original estimate and the corrections may be carried out in the copy of the estimate.

In general, the design proposed is safe and is therefore approved.

Sd.M.Venkatraman,
Executive Engineer.

Draft 2 -

Pub (C.P. Audit) Dept

Memo No ~~6300~~ 6355 Pub (C.P. Audit)/52-b dt. 27.5.53

Sub. Community Projects - South Kanara Area - Construction of a primary health centre at Bajpe

Ref. From the P.E.O. Mangalore Ref. C.No 206/52-B dt 12/5/53

The PEO Mangalore is informed that the estimate received with his letter cited above ~~is being~~ has been sanctioned for execution separately. It should be noted that, as corrections to the Schedule of rates and Standard data ~~which~~ made in the addenda and Corrigenda issued by the S.E. Coimbatore circle in his letter No. D_2 17/52-84 dt. 14.3.53, have not been incorporated in the rates approved for this work. These rates may therefore hold good for estimate purposes only. The Corrected rates should be adopted for purposes of payment of work done, ~~especially~~ for items like Concrete, masonry plastering etc, where 2nd class masons or bricklayers only are necessary, according to the addenda & Corrigenda referred to above.

2. The PEO ~~is requested~~ should prepare working estimates for Sub-works of sanitary arrangements and laying roads & gardens and obtain the approval of proper Authority before taking these Subworks on hand.

~~The PEO is requested to furnish Govt. with a copy of the abstract estimates of each subwork, with a General abstract at once.~~

G.O. Ms. 1405 dated 27-5-53.

Abstract:- Community Projects. South Kanara Area - Construction of a primary Health Centre at Bajpe - Estimate Sanctioned

Read - From the PEO. Mangalore ref. CNo 206/52-B dt 12/5/53

Order:-

Sanction is accorded to an expenditure not exceeding Rs 13650/- (Rupees thirteen thousand, six hundred and fifty only). out of an estimated cost of Rs 27,300 for the Construction of buildings for the Primary Health Centre at Bajpe, Consisting of 1) an Out patients' Dispensary at Rs 9000 2) a ward of 6 beds at Rs 8900 3) Out patients' Kitchen for Rs 2000. 4) a well of 10ft diameter for Rs 4400 4) Sanitary works including walls closets and septic tank for Rs a lump sum of Rs 1500, and 5) a lump sum of Rs 1500 for forming roads and lawns in the Compound and for gate way. The balance of Rs 13650/- required to Complete the work should be met by Contribution from the beneficiaries. This sanction is Counted against item II E. of the project estimate approved by the CPA in their letter CPA/33/5/52 dated 31-3-53.

2- The Rs. expenditure should be debited to "63B Community Development Projects II Community Projects e. Health and rural sanitation (including drainage and water Supply) Works

3. The PEO. Mangalore should get the work executed according to the plans and estimate, technically approved by the Executive Engineer P.W.D., South Kanara and hereunto returned and should submit a copy of the Completion Report to Govt in due Course.

21/5/53

Note:- Please see the letter from the PEO Mangalore at p. 31 Cf. The PEO asks for sanction to an estimate for Rs 27300 for Constructing buildings for the Primary Health Centre at Bajpe. Bajpe is the Mandi Centre for Block I

CB. 4 months-

p31 Cf. -

The Health centre has already started functioning with a personnel consisting of a Medical officer and Compounder, in the rest house of the Panchayat Board. p3 cf

The necessity for a complete and separate set of buildings for the purpose was felt and the PED was asked to prepare plans and estimates and also to ascertain the quantum of public contribution in memo No 6300 Pub (Cp II)/52-1 dt 13-12-52 p5 cf

The PED has now submitted plans and estimates for Rs 27300, for constructing 1) An Outpatients Dispensary 2) A ward of 6 beds 3) ~~Out~~patients' Kitchen. (Corrected as inpatients) ~~is~~. 4) and a well of 16ft diameter. The first three are based on type designs prepared by the Consulting Architect to Govt. The works have been approved by the DHO. DHS. and technically approved by the Executive Engineer PWD. South Kanara. p7 cf

The budget estimate provides for the a primary health centre at Rs. 8280 and the construction of buildings at a cost of Rs 15000 from Cp. funds ~~was approved vide Summary Record of discussions~~ is provided for in the draft budget. p 33 cf

Not put up. Amount to be paid from Grant brought by DE. S

The amount asked for is half of Rs 27300 as 13650/- the balance being people's Contribution in addition to the Cash which has been excluded from the estimate and which will be donated free. The PED has stated that steps will be taken to transfer the ownership of the land, as soon as the estimate is sanctioned

As the estimate includes a provisions on lump-sum basis, for sanitary work and road or other works, the PED may be told by a separate memo to prepare working estimates for these works to obtain the approval of proper Authority, in due course and before taking these particular items of work for execution. The Ex. Engineer South Kanara has corrected the data for rates of work where needed, but has omitted to incorporate the latest Corrections in the Schedule of rates as approved by the SE. Coimbatore circle and communicated to Govt in letter No. D_2. 17 ~~dt~~/52-84 dt 14 3/53 Not put up.

Now this addenda provides for employment of 2nd class

W 2/2/57

Skilled labourers at a less rate than the 1st class. The difference thus arrived at is a saving and is small. But as the PED. will be guided by the rate approved in the estimate while making payments for work done, the PED may be asked to adopt the rate incorporating the latest revision in Schedule of rate, for purposes of payment of work done.

A draft memo is also put up.

The draft order on p. 1 ante and draft memo put up, may please be Approved.

The estimates may also be Countersigned at (K) & (H)
